

### **Agreement for Terms and Conditions**

This workshop is training focused on learning mental imagery skills to assist in daily development and is not intended to be psychotherapy.

The discussion of healing from trauma may be experienced as sensitive material. Should the need arise; please have necessary emotional support available for you following the workshop.

Yes, I agree to, and understand the goals, objectives, and methods of this workshop as outlined in the workshop page herein, and accept the terms and conditions of this workshop.
